Movavi PDF Editor

Quick Start Guide

Movavi PDF Editor is a powerful and user-friendly tool for convenient PDF document management.

Step 1: Open a document

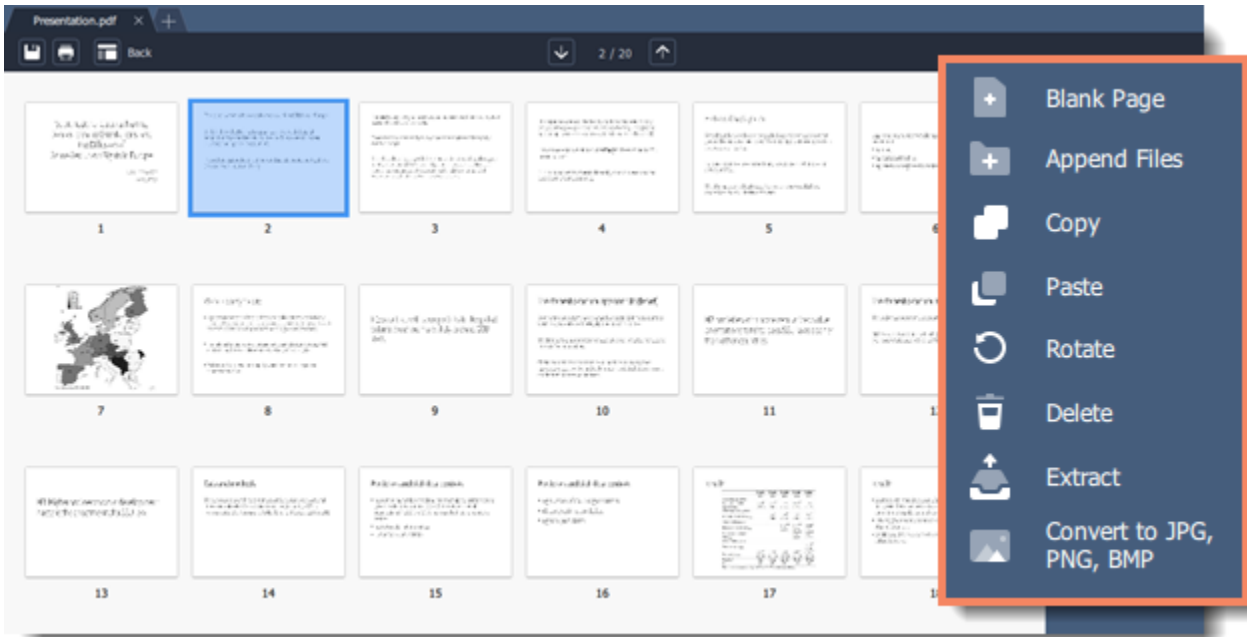

Drag and drop a file from **Finder** onto the **Movavi PDF Editor** window, or click **Open File** to open a document.

[More on opening files](#)

Step 2: Edit document

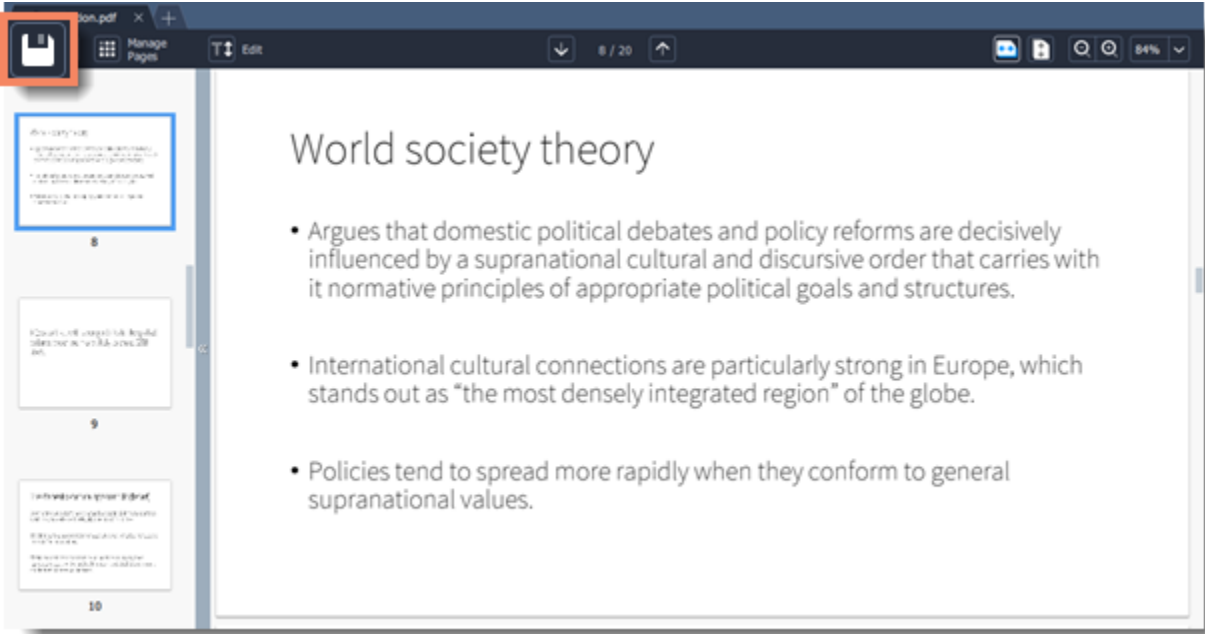

Click the **Manage Pages** button at the top of the window to see the editing options.

[More on editing documents](#)

Step 3: Save the file

- 1. Click the **Save** button at the top of the window.
- 2. In the dialog box, click the **Overwrite** button.

Movavi PDF Editor

Removing trial restrictions

When you first install a copy of **Movavi PDF Editor**, it will be running in trial mode. **You will be able to use all the features of the program for 7 days. The trial watermark will be applied to the pages of your documents when saving the files.** To be able to use the program to its fullest after the trial period expires, you will need to activate it using an activation key that you can purchase from our official website or any of our partners.

Tip: you can delete the trial watermark from your documents after activating the program – simply open the file in the full version and save it once again.

Follow the instructions below to activate your copy of **Movavi PDF Editor**:

Step 1: Buy activation key

- 1. Click the button below to go to the purchase page and click the **Buy Now** button there.

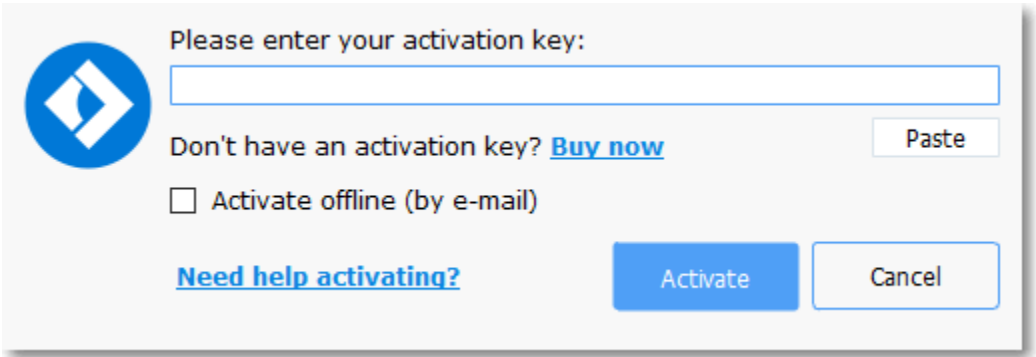

- 2. You will be taken to our web store. Fill in your billing information and payment options and proceed with the purchase form. **IMPORTANT!** Be sure to enter a valid e-mail address: it will be used to deliver your activation key.
- 3. Once you have placed your order, you will shortly receive a confirmation for your order and an e-mail from **support@movavi.com** containing your activation key.

Step 2: Open the activation window

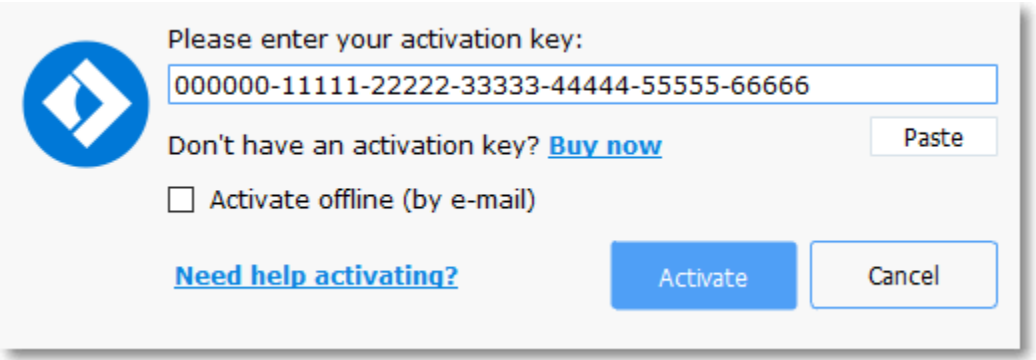

- 1. Open **Movavi PDF Editor**.
- 2. Open the **Movavi PDF Editor 2** menu and choose **Activate Software**. The activation window will appear.

Or click the key button  in the top right-hand corner of the window.

Step 3: Enter your activation key

- 1. Enter the activation key into the corresponding box.
 - 2. Click **Activate** to complete the activation.
- This step requires a working Internet connection to verify your key. If you aren't connected to the Internet, try offline activation.*

Having problems with activation?

- If activation is not working as expected, try the following:
- Make sure that the activation key is entered correctly and is intended for the program you are activating.
 - Try [activating offline via e-mail](#).
 - Contact us at support@movavi.com and we'll help you solve the problem!

Activating without Internet access

If the computer you have installed **Movavi PDF Editor** on is not connected to the Internet, you can [activate the program via e-mail](#).
Movavi PDF Editor

Getting an activation key

You can purchase an activation key from the official Movavi website or from any of our partners. To purchase a digital copy from the official website, follow the steps below:

Step 1: Go to the purchase page

- To open the purchase page for **Movavi PDF Editor**:
- In the **Movavi PDF Editor 2** menu, choose **Buy Activation Key**
 - Click the cart button  in the top right-hand corner of the window, or...
 - Follow the link below...

Step 2: Choose a license type

- If you plan to use **Movavi PDF Editor** at home, click **Buy Now** on the purchase page to proceed with buying the personal license.
- If you plan to use **Movavi PDF Editor** at work, in a government institution, or gain profit in any way, go to the **Business license** tab on the purchase page.

After that, you will be redirected to an online store depending on your region and the available payment methods. All of our vendor partners are secure and completely safe.

Step 3: Fill in your billing details

1. Choose any of the available payment methods.
2. Fill in the information required on the page.
3. Enter a valid e-mail address. This e-mail will be used to deliver your activation key.

Step 4: Get your activation key

After the purchase has been verified, you will receive a letter containing your activation key. Now you can use it to activate the program.

If you haven't received your activation key within the hour:

- Check the **Spam** folder of your mailbox,
- [Contact support](#).

Movavi PDF Editor

Activating PDF Editor

Activating **Movavi PDF Editor** will let you use the program to its fullest forever. Activation requires an Internet connection to verify your key.

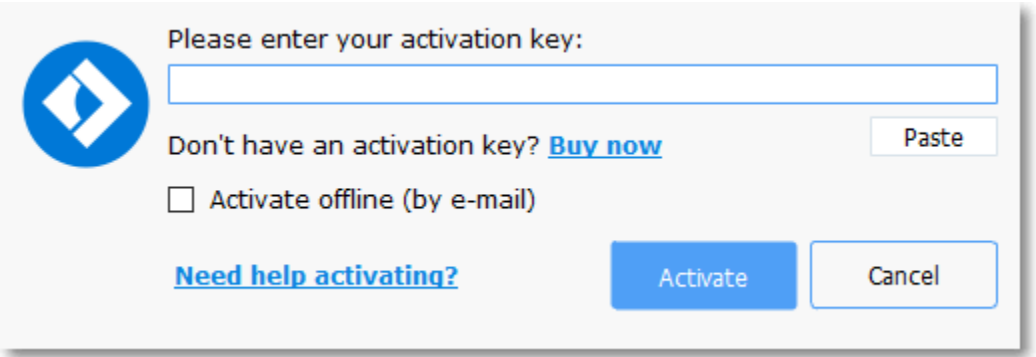

You will need:

- **Movavi PDF Editor** activation key. *You should receive your key via e-mail right after your purchase is completed. Don't have a key?* [Buy now](#)
- Internet access to verify your key. *Don't have Internet access?* [See this guide on offline activation](#)

Step 1: Open the activation window

1. Launch **Movavi PDF Editor**.
2. Open the **Help** menu and select **Activate Software**. The activation window will open.

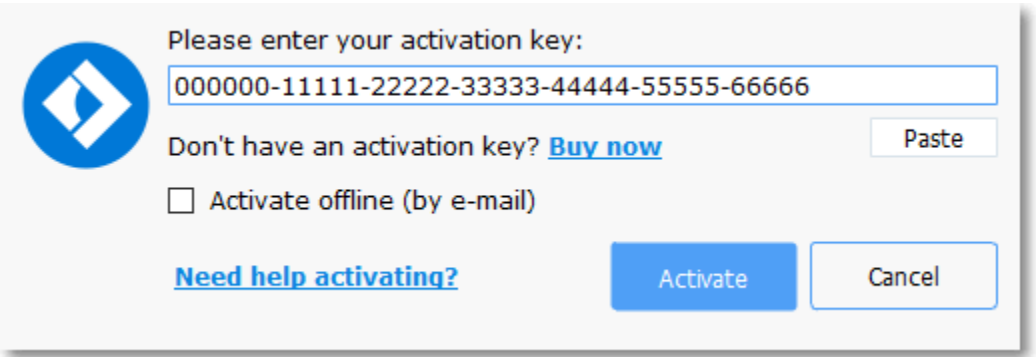

Or click the key button  in the top right-hand corner of the window.

Step 2: Enter your activation key

- 1. Enter or paste your activation key into the corresponding box of the Activation window.
- 2. Click **Activate** to verify your activation key.

This step requires a working Internet connection to verify your key. If you aren't connected to the Internet, try [offline activation](#).

If you have entered the key correctly, you should see a message confirming successful activation. Click OK to complete the activation process and restart the program.

Having problems with activation?

- Check that the activation key is entered correctly and is intended for the program you are activating.
- Try offline activation,
- [Contact our support team](#).

Movavi PDF Editor

Activating without Internet

Activation requires Internet access to verify your activation key. If you don't have a working Internet connection on the computer that **Movavi PDF Editor** is installed on, you can activate the program via e-mail using any other computer or device. You will be asked to send us an automatically generated e-mail and then enter the reply into the program's Activation window.

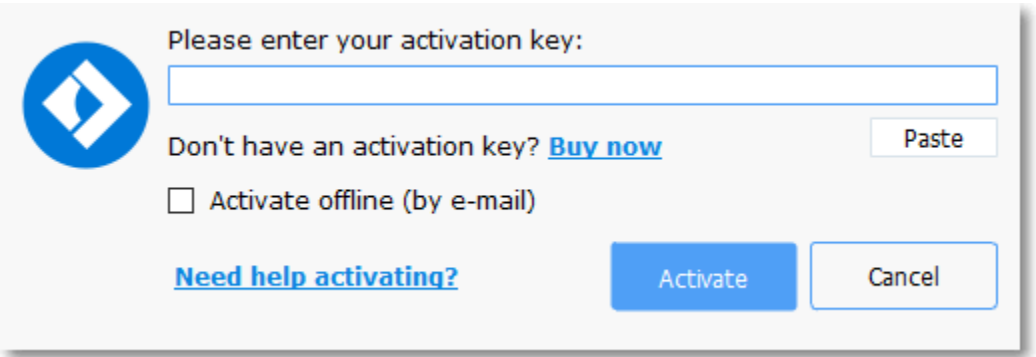

You will need:

- **Movavi PDF Editor** activation key. *You should receive your key via e-mail right after your purchase is completed. Don't have a key? [Buy now](#)*
- A device or another computer that can be used to send and receive e-mail.

Step 1: Open the activation window

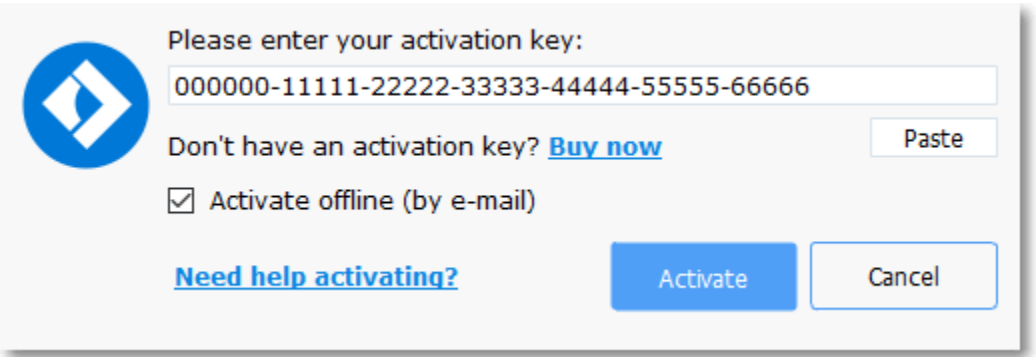

- 1. Launch **Movavi PDF Editor**.
- 2. Open the **Movavi PDF Editor** menu and select **Activate Software**. The activation window will open.

Or click the key button  in the top right-hand corner of the window.

Step 2: Enter the activation key

- 1. Enter or paste your activation key into the corresponding box of the Activation window.
- 2. Select the **Activate offline** option.
- 3. Click **Activate** to proceed to the next step.

Step 3: Send an e-mail with the provided information

The next window contains important activation information that you will need to send us via e-mail in order to activate your program.

Please copy this text and e-mail it to us at reg@movavi.com.
To ensure a fast response, do not change the body of the message.

Activation Key: 000000-11111-22222-33333-44444-55555-66666

Hardware ID: C07H21FBDJD1

MacProduct ID: applepdfeditor2

E-mail: reg@movavi.com

Copy

After your request has been processed, you will receive your registration key via e-mail. Copy the registration key and paste it into the appropriate box below.

Enter your registration key:

Paste

[Need help activating?](#)

Back

Activate

1. Click the Copy button to copy the information in the window. If necessary, save or transfer this information to the computer or device that you will be sending the e-mail from.
2. On the computer with an Internet connection, open your mail client and compose a new e-mail. Paste the information you've copied earlier into the message body and send this e-mail to reg@movavi.com. The activation server will then verify your activation key and send you an automatic response containing a registration key, which you will need to enter into the Activation window. You should receive the server's reply within an hour.

Movavi PDF Editor

Opening files

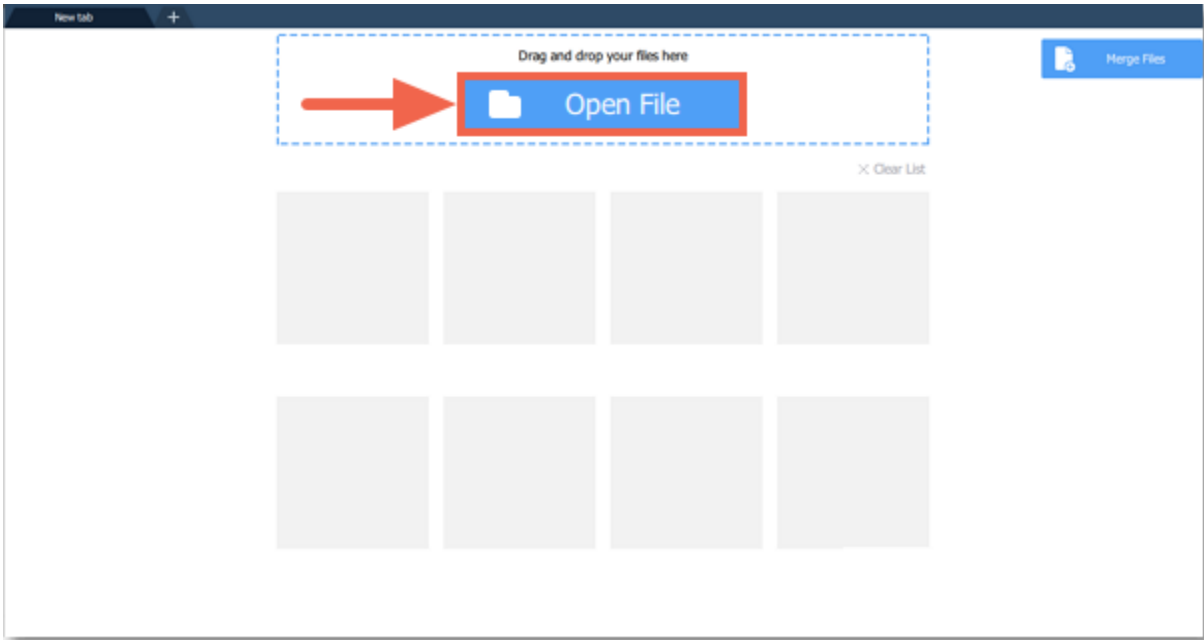

Drag-and-drop

Find the necessary document in **Finder** and then drag it from **Finder** right onto the **Movavi PDF Editor** window.

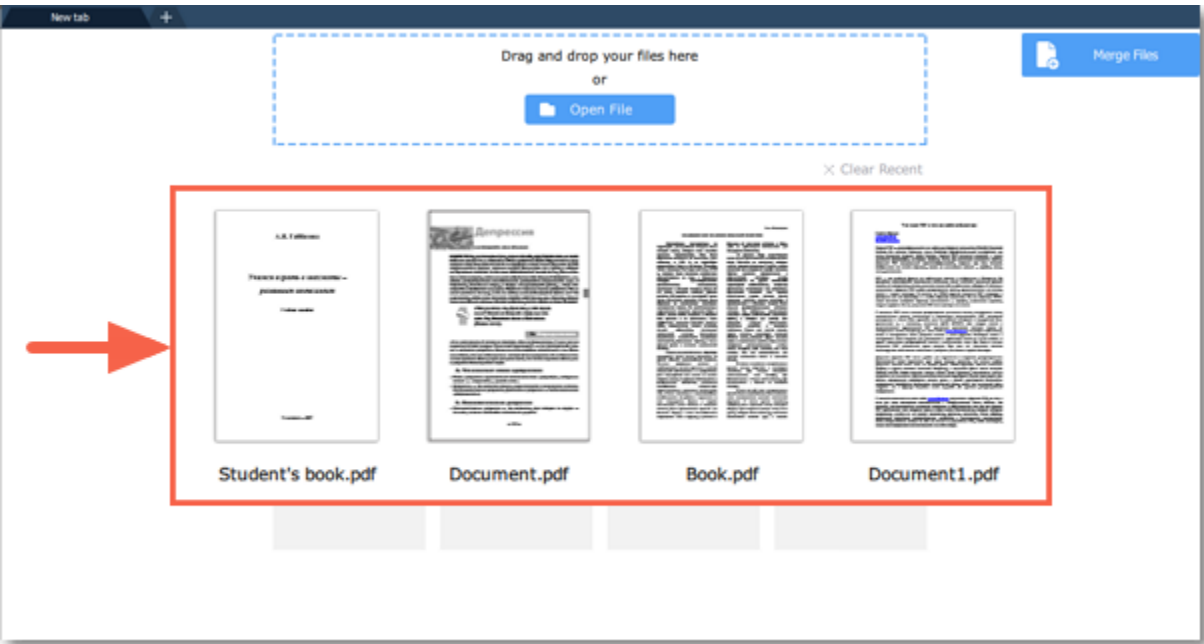

Browse

On the start screen, click the **Open File** button. A **Finder** dialog box will appear. There, choose the file you want to choose and click **Open**.

Recent files

On the start screen, you can see the thumbnails of recently opened files. Click on a thumbnail to open file.

You can also find the list of recently opened files in the **File** menu. Hover your mouse pointer over **Recent Files** and select the file you want to open from the pop-up menu.

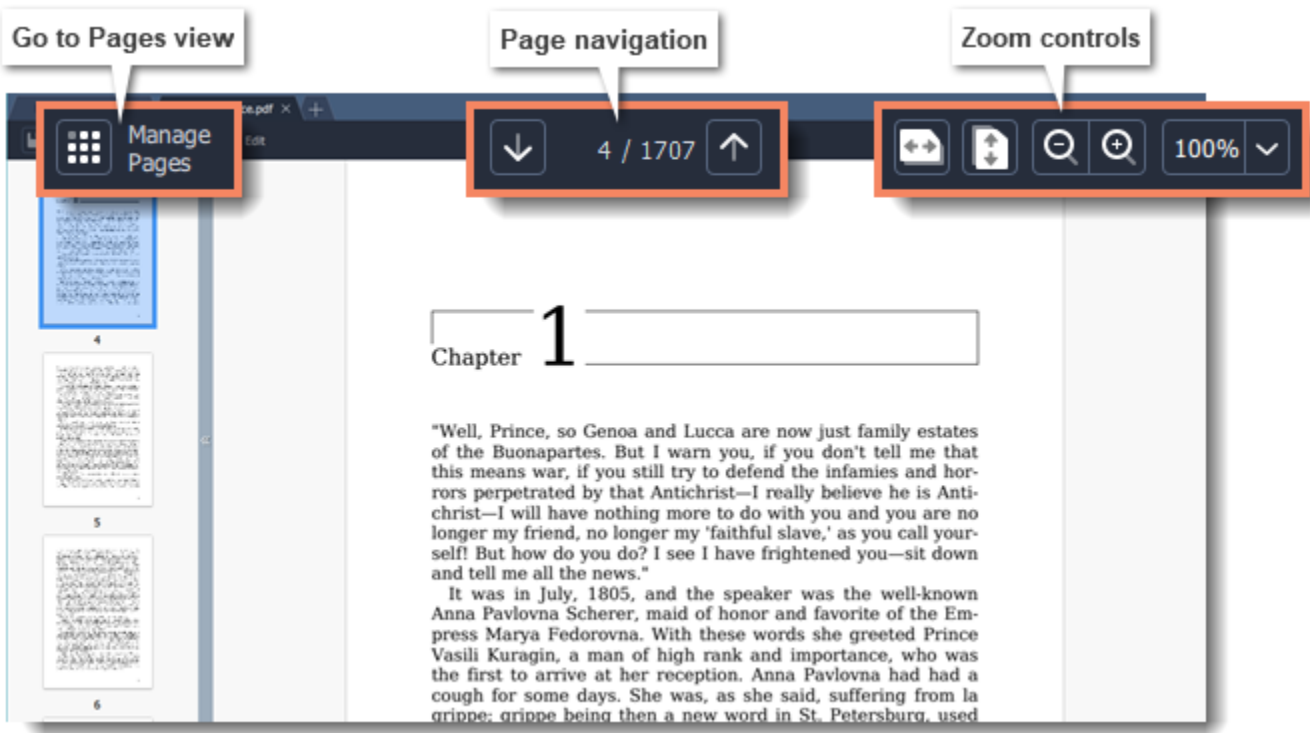

File menu

Open the **File** menu and choose **Open**. A **Finder** dialog box will appear. There, choose the file you want and click **Open**.

Movavi PDF Editor

Zoom and navigation

Navigation

Use the page navigation controls at the top of the page or the mouse wheel to flip through pages.

Zoom

When you open a document, it will be shown in its actual size. Use the zoom and navigation tools at the top of the window to set a comfortable view. You can also zoom in and out using the mouse wheel while holding down **Cmd**.

 Fit width

 Fit height

 Zoom out

 Zoom in

Movavi PDF Editor

Creating new file

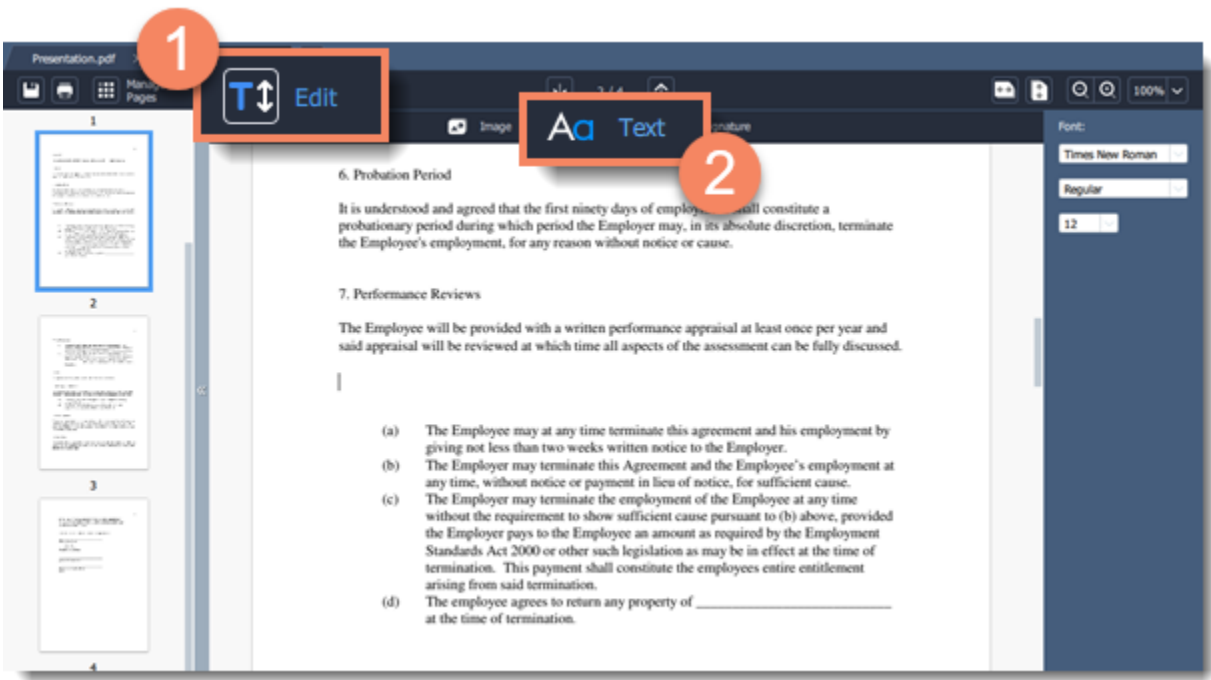

To create a new file, click the **File** menu and select **Create New File**.

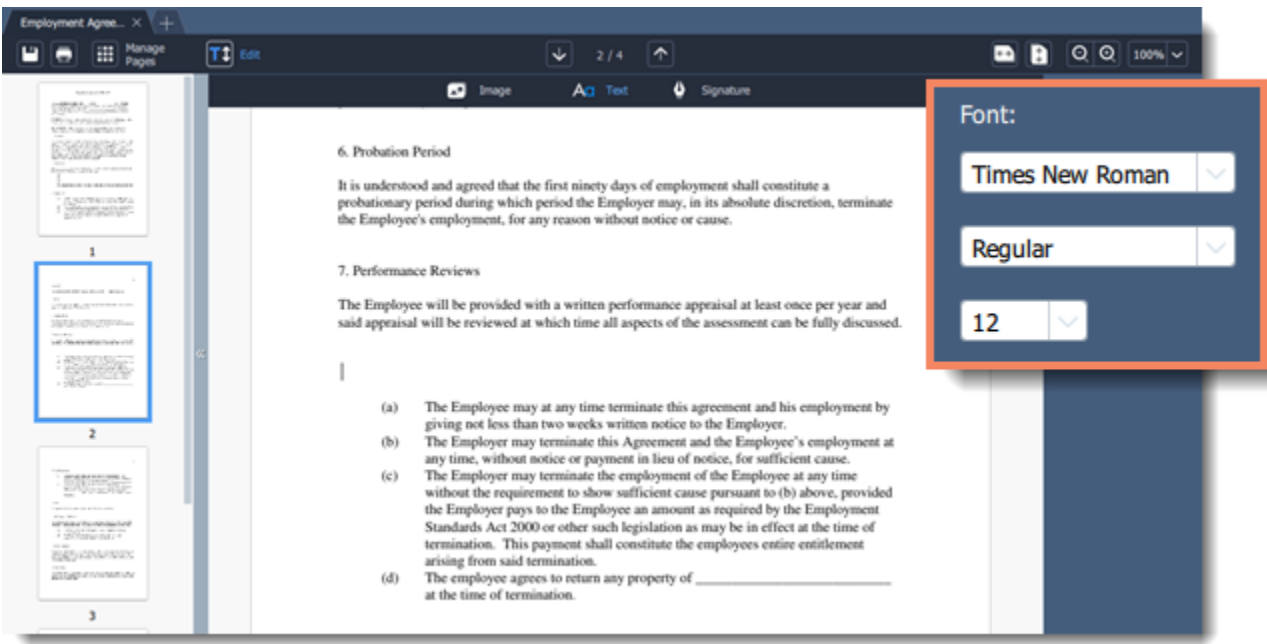

Movavi PDF Editor

Adding text

To add text to your document, click the **Edit** button and select **Text** from the pop-up menu.

Set the font, style and size on the right-hand panel. Place the cursor where you want to add the text and start typing.

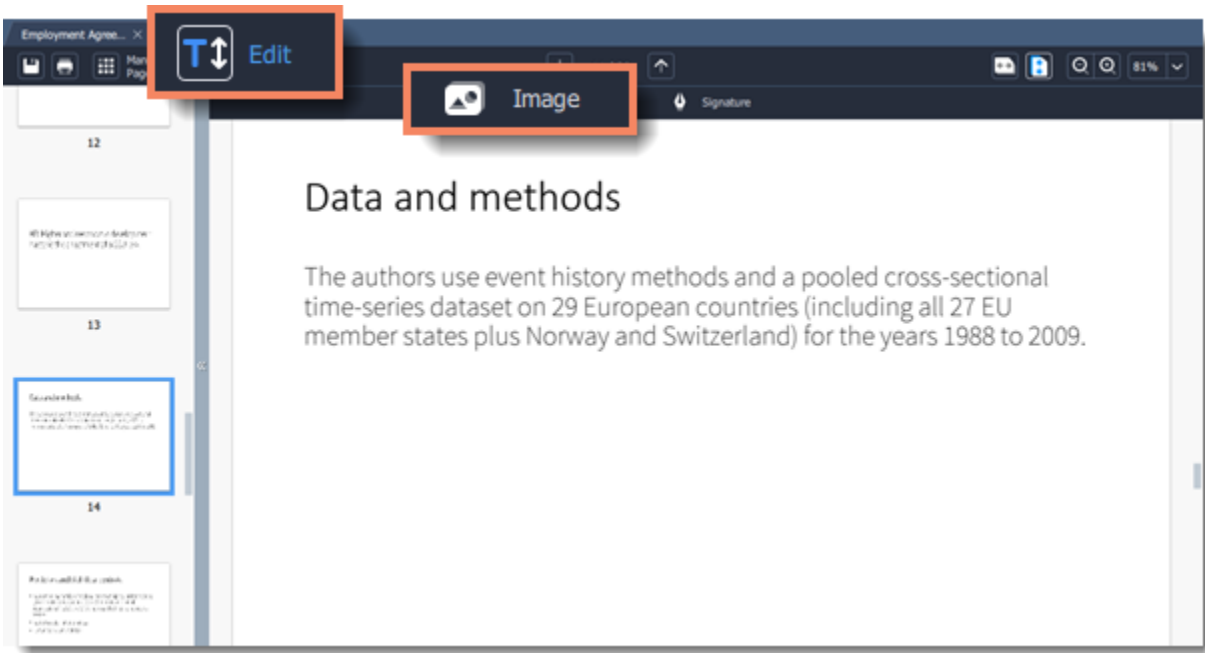

Click on an empty space in the document to save changes.

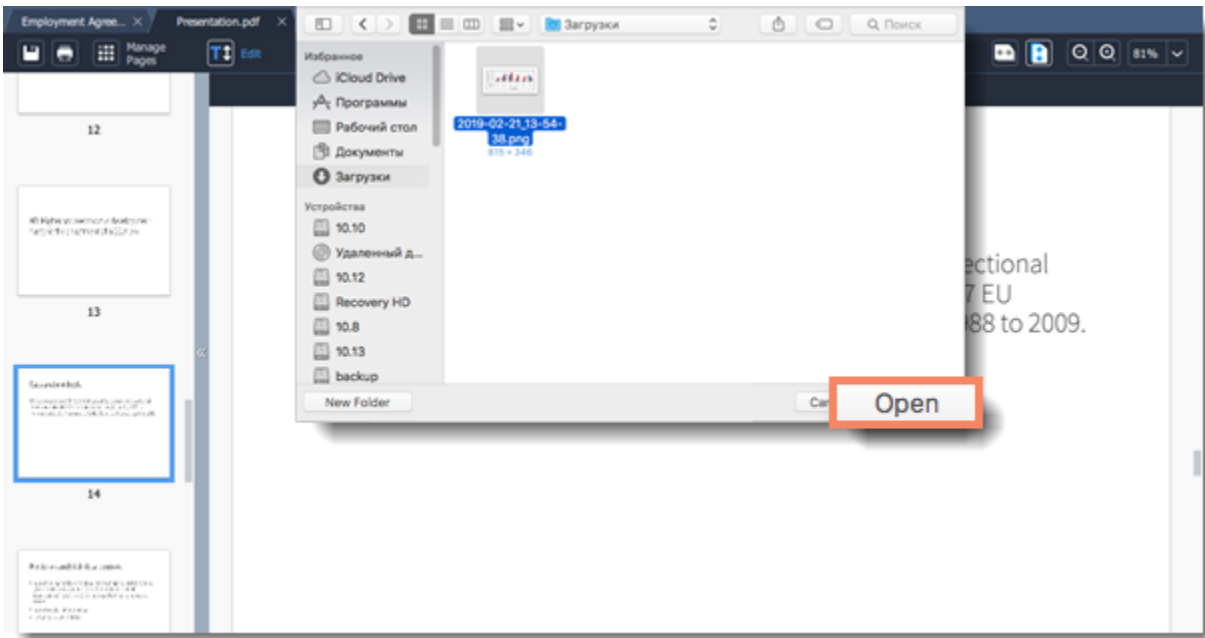

Movavi PDF Editor

Adding images

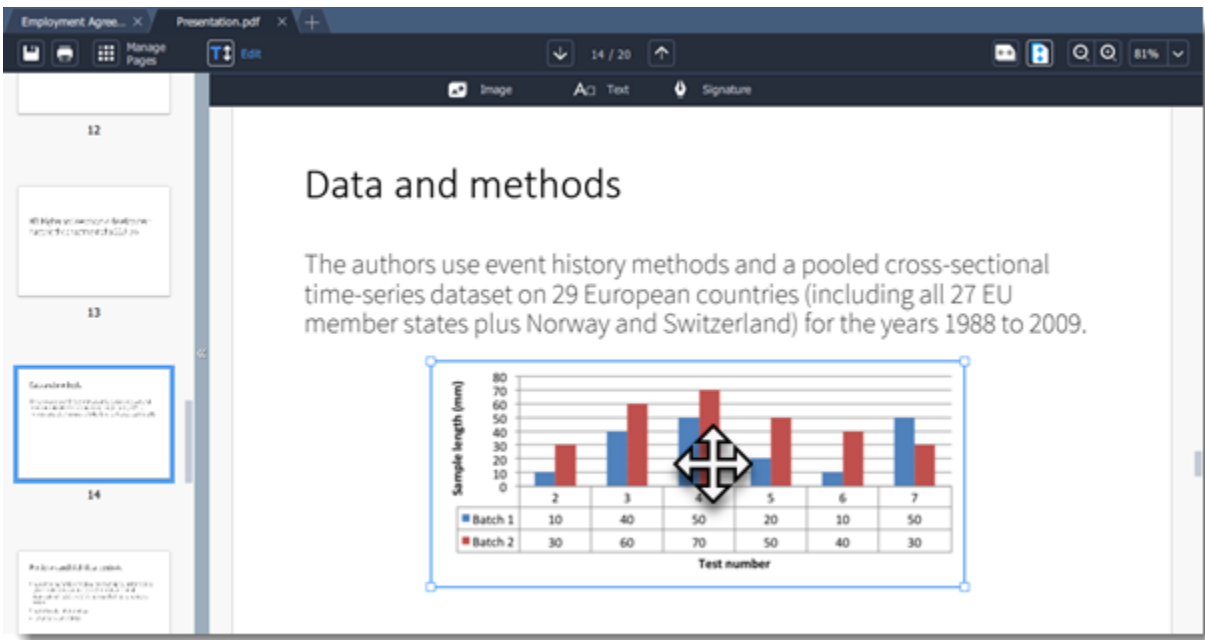

To add a signature to your document, click the **Edit** button and select **Image** from the pop-up menu.

Select the image you want to add and click **Open**.

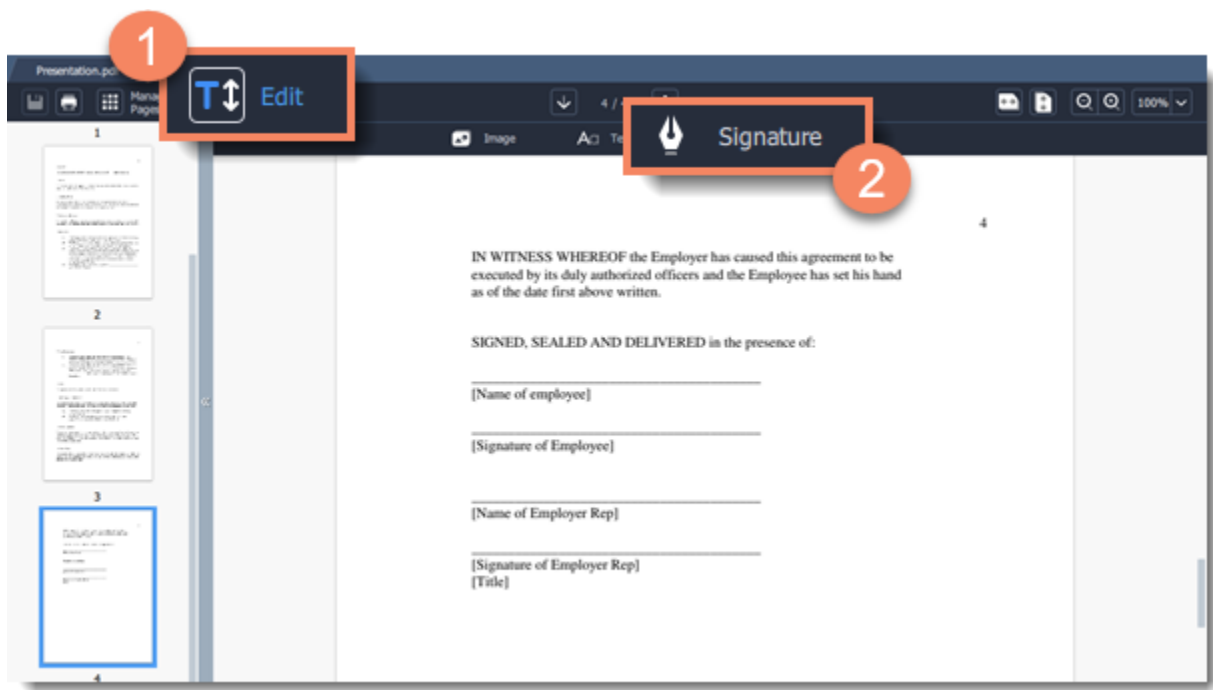

You can move the image by simply dragging it.

Movavi PDF Editor

Adding signatures

To add a signature to your document, click the **Edit** button and select **Signature** from the pop-up menu.

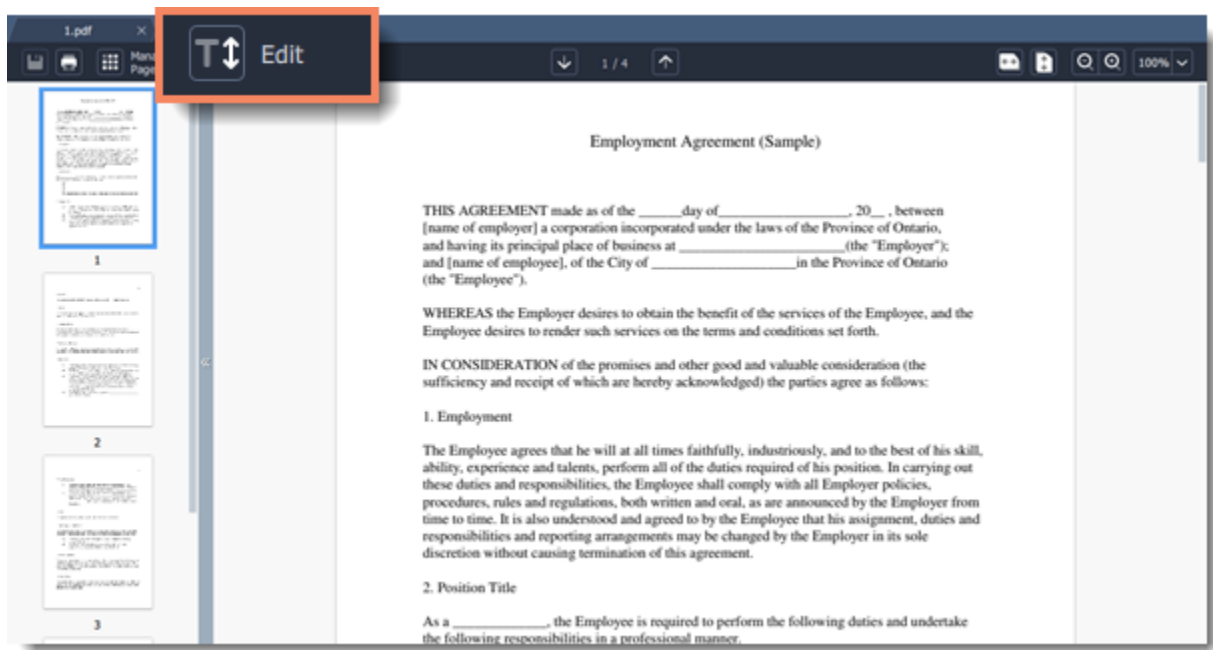

Draw your signature in the opened window and click **Add**.

Move the signature where you want it and save the document.
[More on saving files](#)
 Movavi PDF Editor

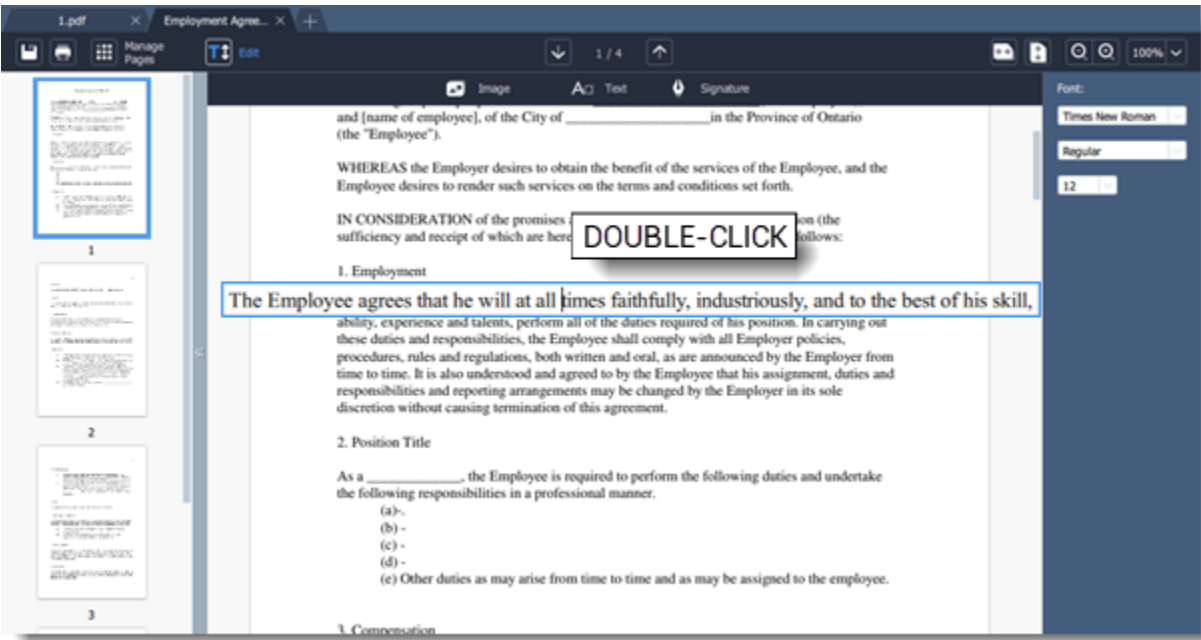

Editing

Click the **Text** button on the top left corner of the window.

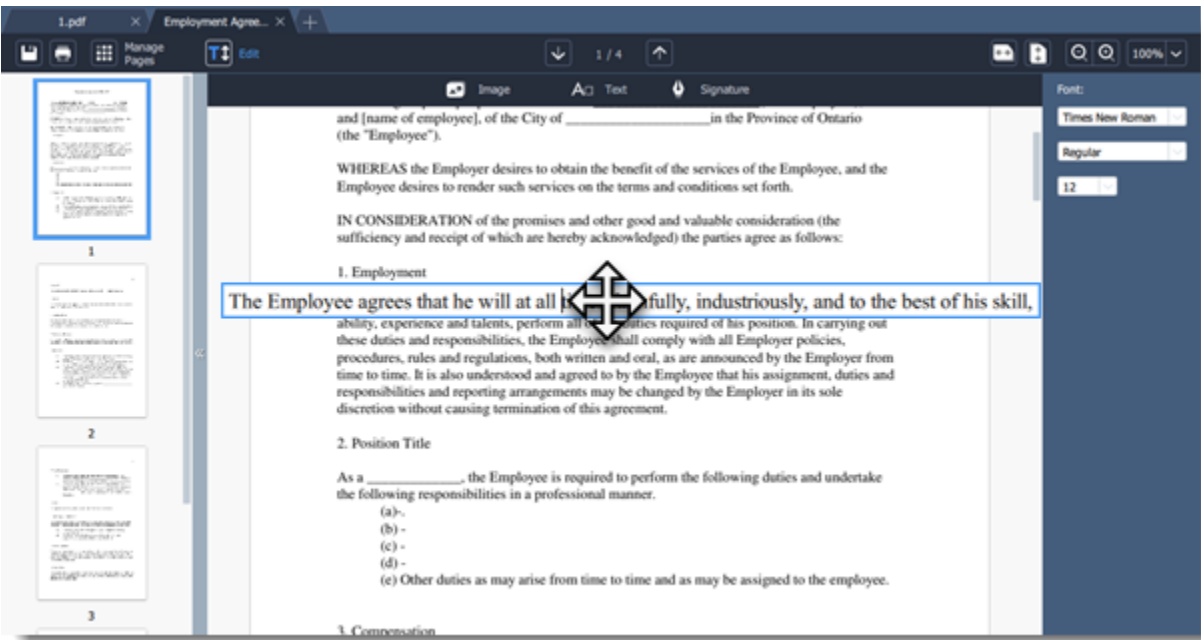

Text

To edit text in your document, double click on the line you want to edit.
Important: Movavi PDF Editor supports Times New Roman, Arial and Courier New fonts. Text of any other font will be automatically changed to Times New Roman.

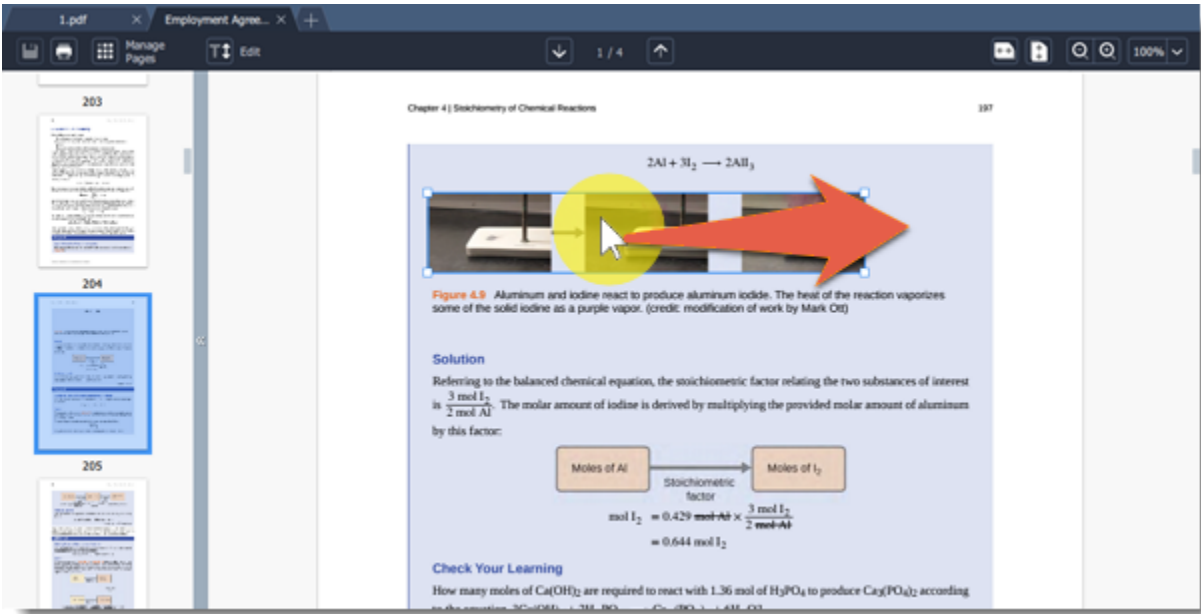

To change the position of the line, simply drag it to the new position.

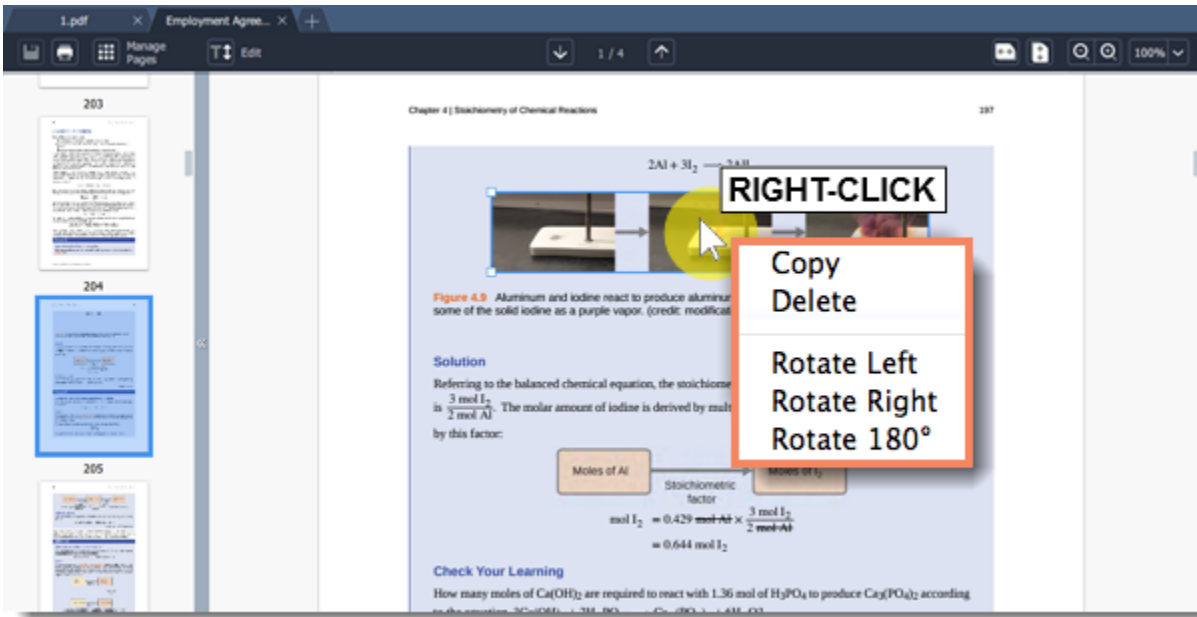

Images

Click on the image to select it.
Simply drag the image to move it.

To rotate or delete the object, right-click on it and choose one of the options from the pop-up menu.

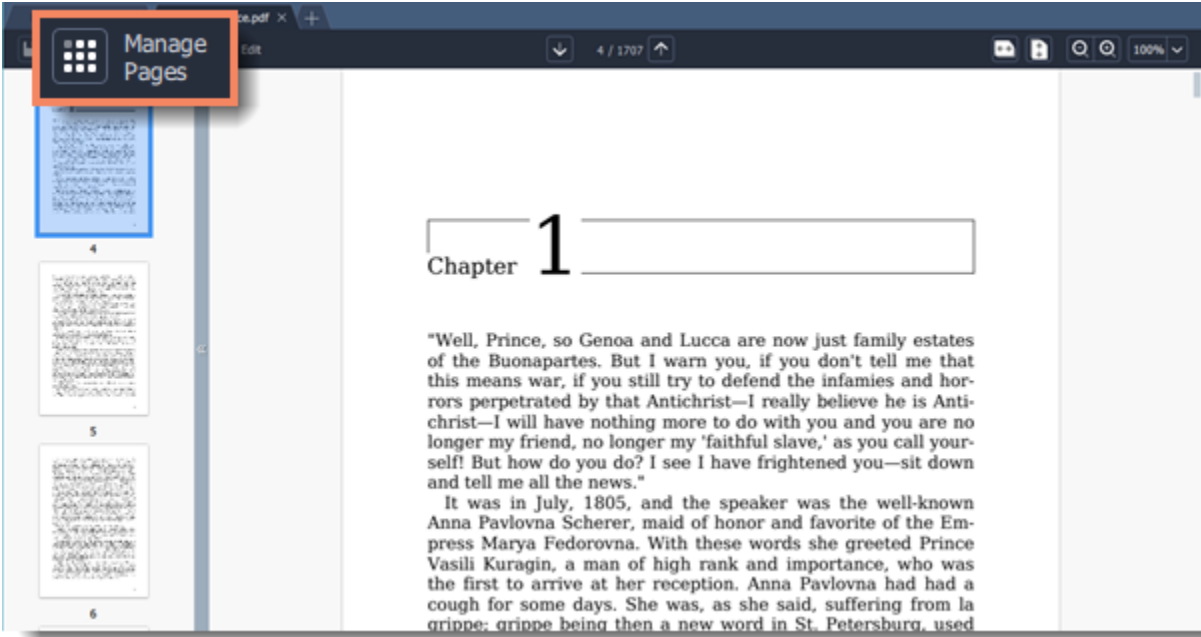

Movavi PDF Editor

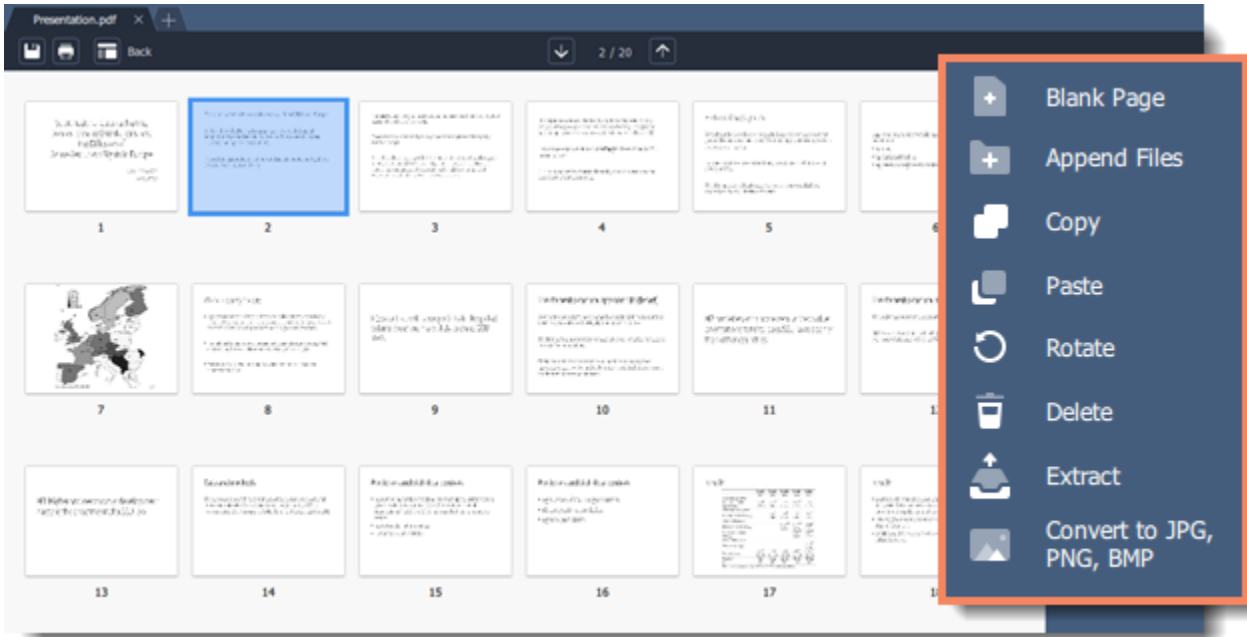

Managing pages

Pages mode

To switch to page managing mode, click the **Manage Pages** button on the top panel.

You will see pages' thumbnails. On the right-hand panel you will see editing options:

 **Blank page.** Inserts a blank page in a selected position.

 **Append file.** Adds all the pages from a selected file at the end of the document.

 **Copy.** Copies selected pages.

 **Paste.** Pastes copied pages next to a selected page.

Rotate. Rotates selected pages 90° clockwise.

Delete. Deletes selected pages.

Extract. Saves selected pages as a new PDF document.

Convert to JPG, PNG, BMP. Saves selected pages as images.

You can also find the editing options in the **Pages** menu:
